Headteacher: Mrs Bethany Greenwood

3rd September 2021

Dear Parents and Carers,

A very warm welcome back to school and I hope you all had relaxing summer holidays! The children have made a brilliant start to the term by easing into their new classroom environments and getting to know new members of the class.

Our topic this term is '*The Great Outdoors*'. We will be experiencing a number of outdoor activities, some of which will then become the focus of our English writing. Please see the following page for an outline of the topic.

PE days for this term are Tuesday and Fridays for Year 6. Year 5 have PE on a Friday too but will be attending Forest School on Tuesdays. Please send your child to school wearing their PE kit on their PE days; they may need some navy tracksuit bottoms or base layers and a school jumper/hoody for the forth-coming colder days. Year 5 children need to come into school wearing school uniform on Tuesdays and change into Forest School clothing with waterproof shoes or wellies; to be brought in in a separate bag please. They will need to bring PE kit in on other days if they are doing sports clubs.

This term, Maths homework will be given on a Wednesday, to be returned completed the following Wednesday so it can be marked in school.

English Skills homework will be given out on a Thursday and returned completed the following Thursday when it will be marked. Spellings and dictation will also be given and tested on Thursdays. Spellings will be both on the website and in your child's planner. Both homework books will be handed out in the next week or so.

We will be still using outside spaces in school as much as possible this term, so please can you ensure your child has a waterproof jacket/coat and a sturdy spare pair of shoes everyday as our class will be using the walled garden daily during break and lunch times; even if it is wet under foot. I am happy for children to leave some outdoor shoes in a named bag on their peg.

If you have any questions or wish to meet with me, please arrange a time with Mrs Sedwell in the office. We do have a class email address: endeavourclass@nettlebed.oxon.sch.uk which can be used but please do understand that emails to this address may not be read frequently due to teaching commitments.

I look forward to meeting you all in due course.

With best wishes,

Mrs Wyatt

Writing

Our writing will be linked to our topic work and the experiences of the outdoors. There will be a range of text types, including instructions and narrative writing. In all writing, we encourage creativity and imagination.

Reading

We will be using a variety of texts that have an outdoor theme. 'Where the World turns Wild' by Nicola Penfold is one book that we will be using. Everyone is expected to read a fiction book daily both in school and at home; children are welcome to bring in their own book or select one from the class book collection. We will have daily reading sessions in class. Reading comprehension activities and guided reading sessions will take place to further improve confidence in reading.

PE

PE for Y6 is on Tuesday and Friday. We are planning to start Badminton on a Friday.

Y5 will do PE on Friday and Forest School on Tuesday.

Endeavour Class

September 2021

In our topic this term we will be looking at

The Great Outdoors!

Science

This term our topic is 'Living Things & Habitats'.

We will be studying the biodiversity of our great outdoors and challenging our thinking to understand how living things in a habitat are interlinked with each other in their surroundings.

French

This term the focus is Transport and 'How do you go to school? These study the language of transport and directions.

Drama

This term we are starting new sessions for the year, learning specific skills with voice control, self-confidence and performance.

Music

This term we will be studying musical notation, the skills of musical phrase building and starting to learn the ukulele.

Design & Technology

We have a focus on food for this term in DT. What food is grown and available to use for harvest: designing a recipe. There may be an opportunity to look into foraging and identifying what foods are there to be harvested.

RE

Religious Education this term will focus on Humanism, what it is and its' features.
